

Installation Guide - version 1.22.8

NOTE

Please note that these instructions are for installing SHRINE version 1.22.8!

For SHRINE 1.25.4, please refer to the upgrade instructions after installing 1.22.8, [here](#).

This guide was created to assist users and system administrators in the installation of a SHRINE system, which is composed of an installation of the I2B2 software (<http://www.i2b2.org>) and the SHRINE software.
