

# Community

SPIN has engaged a wide community of hospitals for translational research and public health applications.

## **Evaluate** SPIN

- \* [Project Status](#)
- \* [Software Download](#)
- \* [Publications](#)

## **Report issues and request new features**

- \* [JIRA Issues Tracker](#)
- \* [Software Roadmap](#)

## **Contribute code**

- \* [Development Process](#)

## **Contact**

- \* Clint Gilbert for all technical issues
- \* Andrew McMurtry for potential uses of the technology in research applications
