

SHRINE 3.2.0 Chapter 14 - Verifying SHRINE Operation

After installing and configuring SHRINE, you can verify the installation by navigating to each application's login page and signing in.

- **Clear the browser cache**
- Navigate to the SHRINE Webclient - the url should be in the form of https://your_shrine_url:6443/shrine-api/shrine-webclient/ . This will be the application you use most often. Log in, construct, and run a query. Do this to test that the term index files are correct, and to test out the full flow through the system.

The image shows the login page for 'The SHRINE Network'. At the top, there is a blue header with the network logo and the text 'The SHRINE Network' and 'Powered by the NCATS CTSa Program'. The main content area is white and contains a 'Sign in' section. This section includes a 'Username' input field, a 'Password' input field, and a blue 'SIGN IN' button.

- The SHRINE Data Steward - the url should be in the form of https://your_shrine_url:6443/shrine-api/shrine-steward/ . Log in as the data steward to observe what your researchers are doing.

The image shows the login page for 'SHRINE DATA STEWARD'. The header features the text 'SHRINE DATA STEWARD' in a large, bold font. Below the header is a light blue background with a geometric pattern. The login form is a white box with a grey border. It contains two input fields: 'Username*' and 'Password*'. Both fields have a small 'Required Field' label to their right. The 'Username*' field has a small '...' icon to its right. The 'Password*' field has a small '...' icon to its right. A large grey arrow points to the right, indicating the next step. At the bottom left, there is a logo for 'HARVARD CATALYST'.
